

Coláiste Bríde

Templeshannon, Enniscorthy, Co. Wexford.

29th April 2021

Dear Parent/Guardian,

We hope you and your families are well.

Normally by this stage of the school year we would have met with both you and your daughter to introduce you to our school. Unfortunately, we haven't been able to welcome you into the building yet. Please rest assured we are delighted that your daughter has now been enrolled and we are looking forward to her joining us in Coláiste Bríde as a First Year student later this year.

We understand that the transition from primary to secondary school can be a daunting experience for a lot of students, and parents have their concerns about it also. Therefore, we would like to invite you to an online information evening for all parents and guardians of students who will be joining us in August 2022.

This meeting will take place on Thursday, the 19th of May at 7:00pm. Closer to this date you will be sent a Zoom link to access the online meeting.

At this meeting we will address some of the fears that young people have about beginning secondary school and let you know of the support systems we have in place to help them successfully make the transition. If you have any specific questions that you would like answered, please email office@colaistebride.ie and we will ensure we address them on the night.

It is really important that you attend this meeting as you will be receiving important information that will be relevant to both you and your daughter.

We are very much looking forward to seeing you at the meeting and to welcoming all our new First Year students in August 2022. We hope your daughter's years in Coláiste Bríde are happy, fruitful and a time that will be treasured.

Yours sincerely,

Kiera O'Sullivan

Principal
