## Subject Choices for 2<sup>nd</sup> Year Students - September 2022

Dear Parent/ Guardian,

As your daughter progresses into her 2<sup>nd</sup> Year studies and we are moving towards the next stage of the Junior Cycle programme, I am writing to highlight an important date for your diary;

**Tuesday, March 1<sup>st</sup> at 7.00pm: Second Year Subject Choices Information Night for current 1<sup>st</sup> Year students on.**

This meeting is open to both parents **and** students in 1<sup>st</sup> Year to attend.

At this meeting information regarding 2<sup>nd</sup> year subject choice options and the submission process will be outlined and explained our School Guidance Counsellor, Ms. Aisling McDonald.

We strongly advise attending this information session, as when making subject choices, the process must be completed via our school's VS Ware portal and detailed instructions on this will be provided at the meeting.

***The meeting will take place online, via your daughter's Microsoft Teams. The meetings will be scheduled in the 1<sup>st</sup> Year Group Team.***

I look forward to your attendance.

Yours sincerely,

Kiera O'Sullivan
