Welcome from the Principal

Dear Student

Welcome to Coláiste Bríde. The idea of this booklet is for you to have detailed information on how things work in school so that you can look it up when you forget.

Some of you will find the move harder than others. This is part of life and you should give yourselves time to settle in. Remember to look for help if you need it, either through a Cara leader, your Class Tutor, the Guidance Counsellor, Learning Support Teachers, Year Head or any other teacher.

We will meet with your parents in the first term to review how you are settling in.

We hope that you will find in our school a happy environment where you will feel comfortable and that the conditions and facilities will be such that you achieve your potential. To this end, we expect you to work to the best of your ability, behave well, show respect for yourself and others and co-operate with all school staff.

Kiera O'Sullivan.

Things Students Find Difficult

You are not alone! The following is a list of things that all students find difficult at the start of first year but after a few weeks you will find each of these issues less difficult.

- The number of teachers
- Large numbers of students
- Finding your way around
- New subjects
- Bringing the right uniform, books and equipment
- Following the timetable
- Tiredness from an earlier start and a longer day
- Homework:- Managing homework properly

What You can do make things easier for Yourself

Settling In

- Stay with your classmates at break-times
- Help each other and include those who look left out
- Try to talk to a few new classmates each day to get to know people
- Join extra-curricular clubs and activities when they start
- Don't expect too much of yourself – settling in takes time
- Do not put yourself down, you are as good and talented as any other person, we all have different talents.
- Listen to advice given to you by reliable adults
- Take responsibility for your actions – if you've done something wrong accept the punishment and move on
- Talk to your class tutor if you are feeling down or things are getting too much.

Schoolwork

- Behave well and respect yourself and others
- Homework Journal – fill in your homework before the end of each class and tick it off as work is done
- Always put in your best effort
- Accept extra help if you need it and ask for it if it has not been offered—talk to a Meitheal leader or a teacher

Homework

- Write all your homework & learning into your school journal.
- At the end of school:
 - Check your school journal to see what homework you have to do.
 - Bring the books and equipment that you need home.
- The following general guidelines are recommended for the maximum amount of assigned homework for each lesson:
 - 1st years – 15 minutes per class
 - 2nd years – 20 minutes per class
 - 3rd years – 20 minutes per class
 - 4th years – Varies depending on project work
 - 5th years – 30 minutes per class
 - 6th years – 30 minutes per class
- Longer assignments may be given over a number of days (e.g. If a 5th year student has 4 classes in a particular subject each week then a 4-hour project could be assigned to be completed over a period of two weeks).
- Students should also set aside additional time for regular study and revision.
- In the evening at home:
 - Attempt all homework even if you cannot finish.
 - Find a quiet, well-lit place to work
 - Prepare ahead for the next school day: check your timetable regarding homework/books/equipment/any notes required for the next day

Preparing for the next day of school

- Again, prepare ahead for the next school day: check your timetable regarding homework/books/equipment/any notes required for next day
- Prepare lunch, uniform and keys for the next day
- Go to bed at a reasonable time.
- Give yourself plenty of time in the morning to get ready for school, if you find you are in a rush then set your alarm for earlier.
- Eat a good breakfast each morning before school.

Getting to and from school

The school is opened by our caretaker Pat for students from 8.00am each morning. The Front Office of the school does not open till 8.30am.

The following information is very important for students who travel to school by car:

For health & Safety parents are not permitted to drive up the school avenue during the following times:

- Between 8.15 am – 9.00 am in the morning
- Between 3.30 pm – 4.00 pm Monday, Tuesday & Wednesday evenings
- Between 2.50 pm – 3.20 pm Thursday & Friday evenings

Students can be safely dropped and collected at the drop off area near the Grotto on the main road to Ballymurn. For health & safety reasons parents should not drive down Fr. Cullen Terrace, this is a residential area and not suitable for school traffic.

Uniform

Students must wear their full school uniform to school every day apart from the day that they have PE. To prolong the life of the uniform we suggest you change out of you uniform after school every day.

Students must wear a mask in school.

As uniforms get mixed up easily it is very important that you label each item of your uniform including your Coláiste Bríde school jacket.

List of Uniform Items:

- A navy school jumper with red stripe.
- A clean white shirt.
- A red tie.
- A plaid Coláiste Bríde school skirt or the Coláiste Bríde school uniform trousers.
- Navy socks or navy tights, navy or black shoes – no boots, canvas shoes or runners are allowed.
- A clean fresh face mask each day.
- A Coláiste Bríde school jacket can be worn over the jumper on excessively cold days.
- Only a plain navy scarf or headscarf is permitted.
- All students must also wear the correct P.E. uniform: school quarter zip and a navy/black bottoms. Students must wear their school jacket to school on PE days.

Uniform Expectations

- If you are unable to wear an item of the uniform to school, you must present a note at the office before 8:40 am that morning.
- Students are expected to be clean, neat and tidy at all times. Hair dyed or bleached to unnatural or fluorescent colours is not permitted.
- Nails of inappropriate length and style are not permitted. Only nail colours that are neutral or “nude” are permitted.
- For Hygiene and Health & Safety reasons some subjects may have their own rules in relation to nails.
- Face masks should be inoffensive and slogan free.
- Students are permitted to wear make-up and jewellery, but not to excess.
- Visible tattoos are not permitted.
- For safety reasons, nose studs, eyebrow studs or any other form of visible facial or tongue piercings are prohibited. Spacers are allowed for a two-week period only. Plasters are not allowed to cover piercings.
- Runners/trainers and school quarter zip may only be worn on the day you have P.E.
- The school authorities are the judges of what constitutes acceptable standards of dress, hairstyles and jewellery.

Homework Journal

Every student will be given a journal on the first day of school. The purpose of the journal is:

- a) to remind students of their homework
- b) to keep parents informed of homework
- c) to inform parents of any problems with regard to classwork and/or conduct.
- d) to allow parents to communicate with teachers
- e) to provide a space to explain student absences, lates or permission to leave.

Ask your parents to check the journal and sign it every week. Write up your subjects for the following week.

The class tutor will check and sign the journal once per week.

The school journal is the most important book for first year students.

If you lose your journal it will have to be replaced at a cost of €15.

All students must have their school journal with them in class at all times. Students who arrive in school without a journal should present themselves to their Year Head or the Deputy Principal at the office before 8:40am.

Safety

Some subjects have their own safety rules and you must follow these. Fire drills are conducted throughout the year. Emergency exits must be kept clear at all times and should only be used for emergencies or fire drills.

Absence

Students are expected to be present and on time for all classes and to attend school regularly. An “Absence Note” must be completed in the school journal by a parent/guardian and placed in the Note Box at the First Year Students Entrance before 8:40am on return from an absence from school.

An absence note can also be submitted online by a parent through the VShare App.

Students are required to get class work and homework from classes they miss for whatever reason and to catch up on topics if they are absent.

There is a section in your student journal for Signing out notes. Please bring this note to your Year Head in the morning for their signature before bringing the note to the office. If your Year Head is not available then Ms. O’Sullivan (Principal), Mr. Moynihan (Deputy Principal), or Ms. McConville (Deputy Principal) will sign the note for you.

You must go to the Front Office to sign out at the time to leave. If you are returning to school later that day you must go to the Front Office to sign in on return.

Late

Students should be in school each morning before 8:40am. Class starts at 8.45am. If you are **late**, you must **Sign in** at the Office before going to class. Otherwise, you will be marked as absent. Students who arrive late to school must present a Late note signed by a parent/guardian to the office explaining the reasons for being late.

Book Rental

Ms. Harpur administers the book rental scheme. This covers the rental of all your schoolbooks for the year.

Students should take care not to lose or deface books and you will normally be asked to pay the full cost of replacements. Write your name in the space on the sticker on the front. Some books will be kept until the end of 3rd Year while others will change each year. All books are **returned before the summer holidays**.

Study Classes

Students should always have a reading book in their bag at all times. In a study class, you can read or catch up on study or homework.

Lunch Time

This year for First Years Break Time is from 10:45 – 11:05 and Lunch time is from 1.05 till 1.45. First Year students eat their lunch in their Home Rooms or if the weather is dry to go outside. Each student is responsible for cleaning up after herself. Students can avail of food from Fresh Today, our canteen operators, or bring their own lunch.

Recycling & Green Schools

In each class is a bin for rubbish and a blue bin for dry and clean recycling materials such as paper. Recycling stations are also located around the school.

Code of Positive Behaviour

Our Code of Positive Behaviour is in your school journal. Please take the time to read this code. If there is anything you do not understand ask your class tutor.

The approach to discipline is based on a system of fairness where there is co-operation between student, parent and teacher within the school community. Although the Class Tutor helps monitor the student journal, their role is more of a supportive and caring role. The Year Head will deal with most disciplinary issues, more serious issues will be dealt with by the Principal and/or the Deputy Principal.

In First Year we operate a positive behaviour rewards system. This reward system is where students are awarded points or commendations for doing something well. This might be for working really hard on a piece of work or based on something like extra-curricular involvement, attendance, grades, kindness to others or abiding by all school rules.

Bullying

We try to keep bullying to a minimum but inevitably some incidents will happen. It is important that **you tell someone**. Once we know something is happening, we will deal with it.

If you see a classmate is being treated badly by someone, you also have a responsibility to tell someone.

There are a number of people students can speak to about bullying:

- our CARA leaders.
- Your class Tutor.
- A preferred teacher.
- Your Year Head Ms. Breen..
- The principal or deputy principal.

Cara Mentors

Fifth Year students volunteer to be a friendly face to each First Year class. This is especially important in the first few weeks when school can be a large and intimidating place. Sometimes it is easier to approach older students rather than teachers if you want to find out some information or need help.

School Office and Non-teaching Staff

You are expected to be courteous to all members of staff and follow their instructions. Please note that the school secretaries, Donna and Martina, are busy and may not always be able to deal with you immediately, so be patient or return later. Our caretaker's name is Pat.

Learning Support

Learning Support classes are provided by a team of Learning Support teachers. Miss Murphy, Ms Foley and Miss Duggan are the main learning support teachers however other teachers also provide learning support.

School Day

Students should be in school at 8.35am at the latest in order to have their books organised. The first bell rings at 8:40am which is the signal for students to make their way to class. All students must be in their seat in class for Morning Prayer at 8.45am.

At 11:00am the first bell sounds at the end of break which is the signal for students to get ready for their next class which begins at 11:05am. The bell at 1:40pm signals the end of lunch and again students should get ready for the next class which begins at 1:45pm.

The school day finishes at 3:45pm Monday to Wednesday and at 2:45pm on Thursdays and Fridays.
