

**RE: Summer Provision 2022 (formerly known as July Provision)**

Dear Parents/Guardians,

We are delighted to confirm that we will be able to offer the Summer Provision Programme in our school this year (formerly known as July Provision) which the Department of Education have expanded in recent years.

The aim of the programme is to support students with additional needs, at risk of educational disadvantage, or those who receive extra support in school by providing them with some additional time in school during the summer holidays.

The Summer Programme is a **fun filled two-week programme** that will run **from Monday, June 20<sup>th</sup> to Friday July 1<sup>st</sup>**. There will be a maximum of 12 students and a teacher working together for the two weeks. The programme will be a relaxed, fun couple of weeks in school with students taking part in a wide range of activities. This will give the students a chance to experience school in a calm, quiet environment with lots of fun. We will structure each day almost like a typical school day but with lower demands on the students. Each day will **begin at 10.00 am and finish at 3.00 pm**. Ms Orla Foley will be on site as the Overseer during the two weeks of the programme and if you have any questions before or during the programme you can contact her through the office or email her at orla.foley@colaistebride.ie.

Places are offered on a needs basis and any student receiving additional support in school for any reason may be offered a place on the programme. **If you would like your daughter/ward to participate in this year's programme please fill out the form below by Friday, 28<sup>th</sup> May.**

Kind Regards,

Kiera O'Sullivan (Principal)
